- A. ADR does not generate customer cornice dimensions.
- B. Do not schedule installation until you have received, inspected and approved the delivery.
- C. Please note: You must open and inspect the cornice for damages while the shipper (FedEx Freight or UPS) is still present! Heavily shaken boxes can be perfect outside but destroyed inside. Refuse product/shipment if damage is present or product is incorrect in any way.
- D. We take photos of your product before it is shipped and document the order. Ask customer service if you need them.
- E. Contact gcs@antiquedraperyrod.com to report any damages so we can quickly remake.
- F. By signing below, you are agreeing this is a custom order. No returns accepted, only exchange if the product is damaged.
